EXPLORATHON '20

EUROPEAN RESEARCHERS' NIGHT SCOTLAND

EXPLORATHON '20

EUROPEAN RESEARCHERS' NIGHT SCOTLAND

Climate Change

Wednesday 11 November 2020 9:00 am – Sunday 29 November 2020 9:00 pm

Can we solve the problem of climate change?

The Martian – Science Fact or Science Fiction

Thursday 12 November 2020 2:00 pm

Many space movies have hit our screens relaying drama, adventure, and scientific discovery...

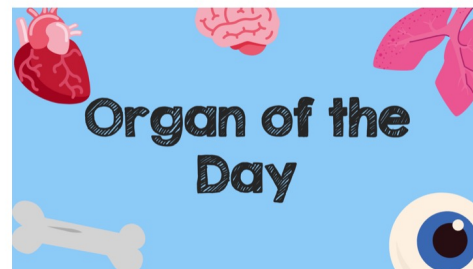

Corals and Ocean Acidification

Friday 13 November 2020 9:00 am – Sunday 29 November 2020 9:00 pm

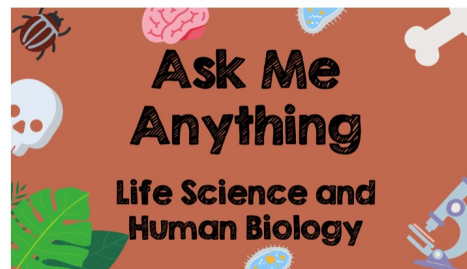

How do corals build the skeletons that make up reefs and how is this process affected by climate change?

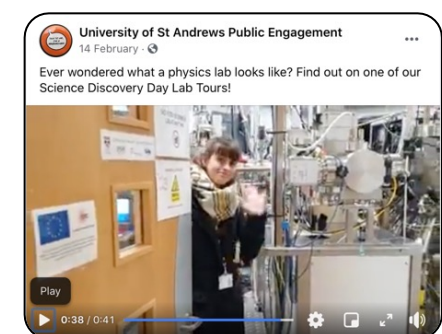

Microorganism of the Day

Organ of the Day

Ask Me Anything: Life Science and Human Biology

INTER SECTIONS

We are a new NIGHT

**International. Intersectional.
Interdisciplinary. Interrelated.**

**Showcase and celebrate
research
around Europe
to Europe**

INTERSECTIONS

Who are we?

University of St Andrews

Dr Mhairi Stewart
Head of Public Engagement
INTERSECTIONS project lead

Ms Francesca Fotheringham
Public Engagement Officer
INTERSECTIONS Project Manager

Natural History Consortium

Matt Postles
Deputy CEO
INTERSECTIONS citizen sci lead

Nina Brun & Laura Thomas
Engagement Internships

Global Science Show

Sam Langford
SciComm with Sam
INTERSECTIONS showcase lead
