

# NEW EUROPEAN BAUHAUS FACILITY

**Sophia Vlieger de Oliveira**  
Policy Officer

JRC.B.4 - New European Bauhaus  
Directorate-General Joint Research Centre,  
European Commission

**NEBinar**  
12 June 2025

- Translating the **European Green Deal** into tangible change on the ground that improves citizens' daily life and accelerates the **green transition**
- Three values: **Beautiful. Sustainable. Together.**
- Three working principles: **participatory process, multi-level engagement, transdisciplinary approach**
- The NEB is **implemented** through:
  - Guidance and tools
  - The NEB Community (1500+ members)
  - Communication
  - Funding

# NEB Facility

# NEB Facility: Revitalising European Neighbourhoods through Design for Sustainability and Inclusion

## Objective ①

Transforming Places with Communities

R&I Component:  
**Develops novel  
NEB solutions**

Funding approximately **EUR 120 Million/year**

Engagement

## Objective ②

Supporting Innovation

Roll-out component:  
**Implements and scales up  
NEB solutions**

Funding mixed sources (EU, private and national funds), ambition: **EUR 120 Million/year**

Communication

## Objective ③

Enabling Change

Tools

International Dimension

# NEB Facility - Objective 1: Transforming Places with Communities

## R&I

**Connecting the green transformation with social inclusion and local democracy**

by **exploring the drivers** for citizens to lead the green transformation of their neighbourhoods

## Roll-out

**Fostering sustainable living and community empowerment**

by **deploying** and **scaling up** NEB solutions for the social and physical transformation of neighbourhoods

## NEB Facility - Objective 2: Supporting Innovation

### R&I

**Circular and regenerative approaches for the built environment**

by **rethinking** how we design, build and use our surrounding spaces and **exploring** new technologies and construction methods, materials and products that are more sustainable and circular

### Roll-out

**Circular and regenerative approaches for the built environment**

by **scaling up** a new circular economy of construction

## NEB Facility - Objective 3: Enabling Change

### R&I

**Innovative funding and new business models for the transformation of neighbourhoods**

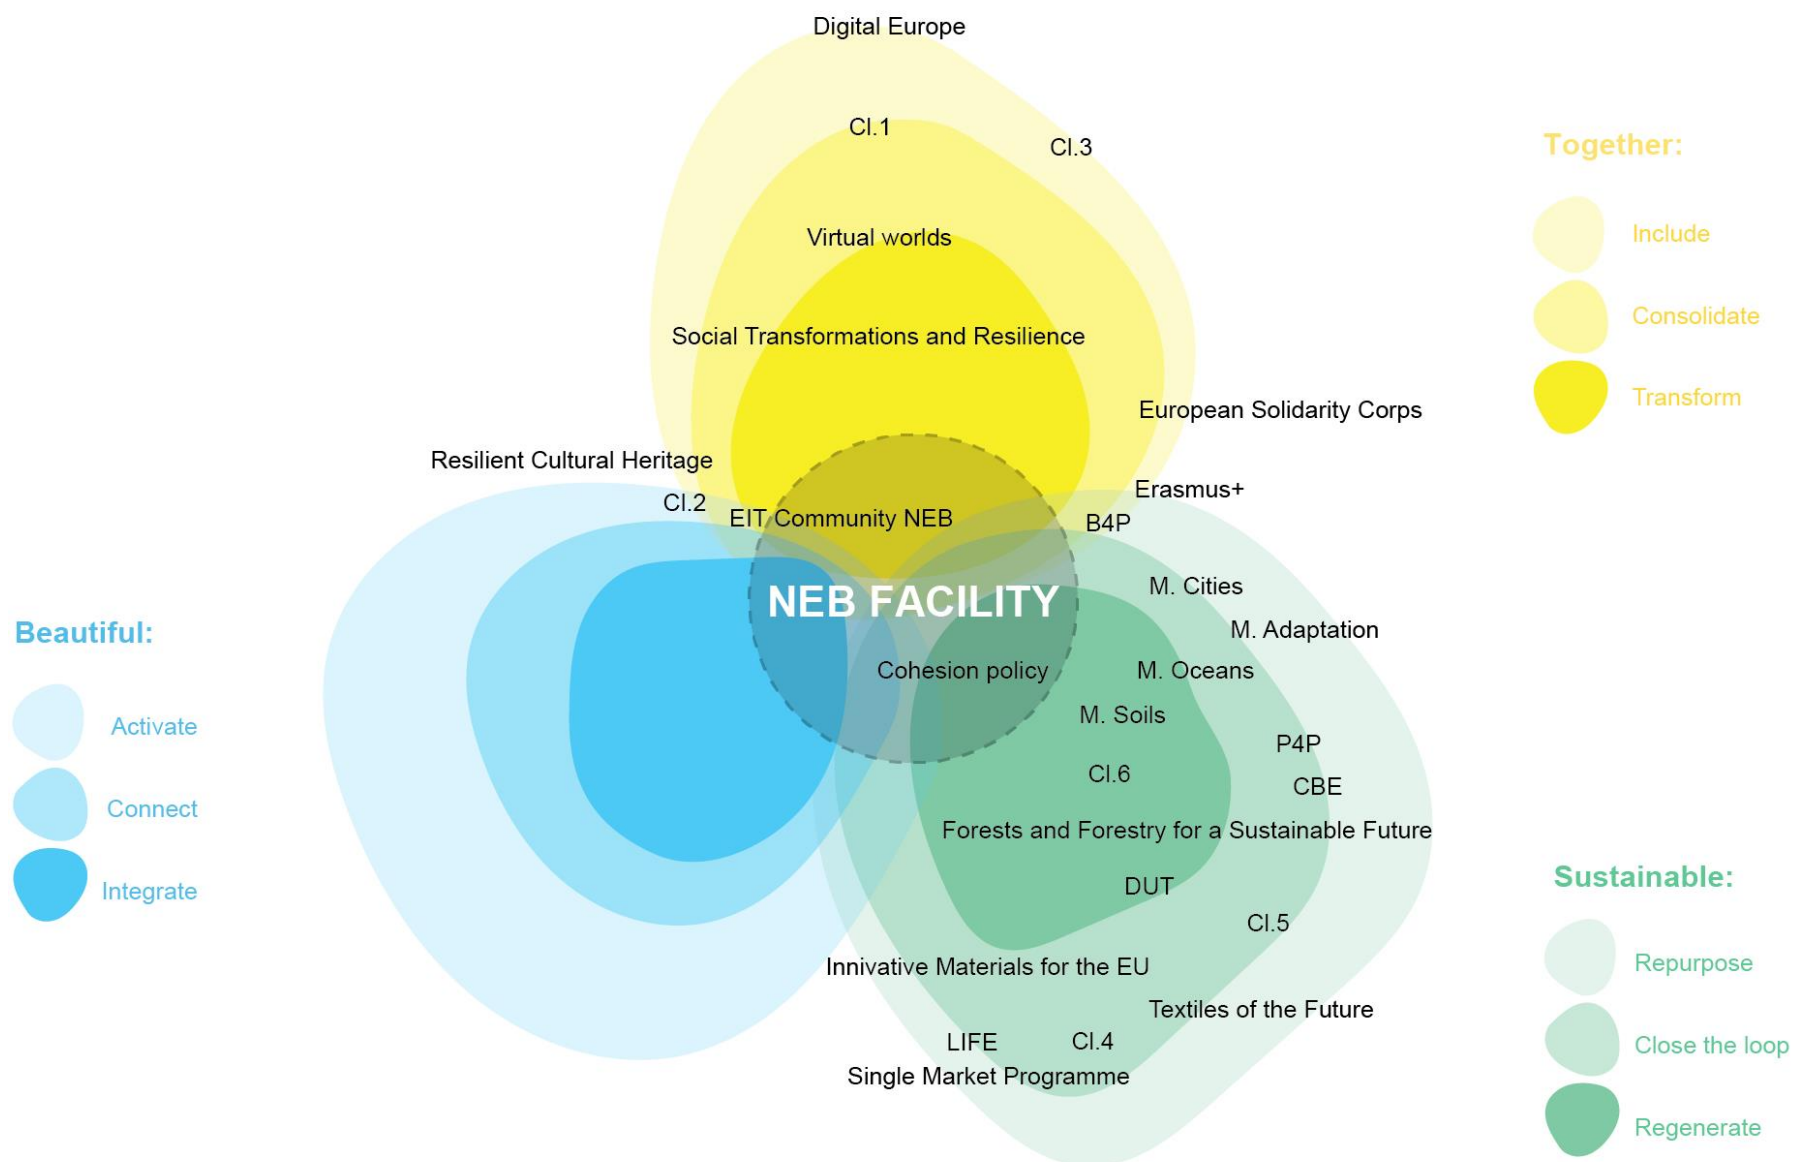

that demonstrate the economic, financial, social, cultural, and environmental viability and attractiveness of NEB solutions

### Roll-out

**Skills, models and tools to support NEB change-makers**

Supporting the enabling conditions for the deployment of innovative NEB solutions

# NEB Facility – R&I component: Overview of 2025 funding opportunities

All the topics are in a dedicated part of the  
**Horizon Europe Work Programme** (Annex 13.  
New European Bauhaus Facility)

**More accessible topics**, through clearer and  
concise language, glossary, legal and financial set-up

**NEB embedded in the design of the  
topics** (e.g. requirement for a participatory and  
transdisciplinary approach)

**Requirement to engage with the NEB Hub  
for results and impact**, which is a knowledge  
management platform for the NEB Facility

## Submitting questions

# Research Enquiry Service

For questions about EU research funding programmes,  
you can contact the Research Enquiry Service via the webform:

[Research Enquiry Service \(europa.eu\)](https://ec.europa.eu/research-enquiry-service/)

## Submitting questions

# New European Bauhaus R&I National Contact Points
